 - Oversees clinic scheduling.
 - Assists in maintaining personnel files. Interview, select and orient all new office personnel.
 - Enforces and adheres to organizational policy/safety practices.
 - Assists with the daily operations of the office. Liaison between office and external vendors. Plan, schedule and direct the work of self and others.
 - Ensures that all receipts are accounted for and secured daily.
 - Assess and direct office workflow. Assists staff with day-to-day operations when necessary, utilizing established time management and delegation practices. Acts as a liaison for medical, office, phone, and computer equipment maintenance. Monitors grounds and facility maintenance. Coordinates routine maintenance.
 - Orders/maintains supplies within assigned budget.
 - Monitors/manages sample medication closet.
 - Makes patients and their needs the primary focus. Maintains confidentiality of all patient information. Practices discretion.
 - Attends all internal and external meetings as assigned. Communicates and acts as liaison between other FCHC offices, providers, and staff.
 - Assist with training and competencies.
 - Responsibility to maintain medical clinic.
 - Understands VFC/Private vaccine managements and acts as primary VFC coordinator.
 - Acts as the Emergency Department tracking coordinators.
 - Develops and maintains daily huddle for Hunter Trace and Baltimore.
 - Ensure staff are utilizing policies and procedures for best practice care.
- Other duties as may be assigned from time to time.

Competencies/skills:

- Demonstrates excellent written and verbal communication skills. Clearly conveys messages in away that will aid in understanding and retaining the information.
- Computer proficiency. Demonstrates a working knowledge and understanding of all computer applications used regularly. Ability to use these applications to increase overall productivity.
- Demonstrates effective problem solving and critical thinking skills. Attention to detail and the ability to prioritize and manage time effectively to meet organizational objectives.
- Demonstrates a high level of care and thoroughness to guarantee completeness and accuracy. Attention to detail.
- Demonstrates sensitivity to patient and customer needs through excellent customer service. Exhibits the FCHC mission, vision and values in all interactions with patients, providers, staff, vendors, etc.
- Demonstrates general understanding of Patient Centered Medical Home (PCMH) principals and importance of continuous quality improvement.

Experience, education/training, and licensure:

- Graduate of an accredited nursing program.
- Certified Medical Assistant (CMA)/Registered Medical Assistant (RMA) minimum, Licensed Practical Nurse (LPN) licensed by the State of Ohio preferred.
- 1-3 years of management experience in ambulatory healthcare setting required. FQHC experience encouraged.
- Demonstrated success in working effectively alongside medical providers (CNP/PAs/Physicians)
- Strong communication, critical thinking, analytical and financial skills preferred.
- Vast knowledge of electronic medical records systems. NextGen preferred.
- Proficiency in Microsoft Office applications, specifically Word and Excel.
- Demonstrated flexibility and ability to adapt and thrive in a dynamic, ever-changing environment.
